Applying for SBA Disaster Loans (EIDL)

New York District Office

The following slides are designed to assist New York Small Businesses in applying for the Economic Injury Disaster Loans offered through SBA.

PLEASE NOTE: *This is to assist you in getting to the website, registering and starting the process.* We **STRONGLY** suggest that once you are registered, you download and/or print out the application, familiarize yourself with what is needed, do it manually and then submit online.

WE WANT YOU TO HAVE A COMPLETE APPLICATION UP FRONT.

If the application is incomplete it will be set aside. You will be notified of what is missing and it will stay there until they receive the new information; then **YOU GO TO THE BACK OF THE QUEUE!**

So take your time and make sure it is complete. We will be here to assist where we can, but given the district's limited staffing, we can't run through an entire application with every New York business. We are working with the state and our partners to provide more in-depth help.

Do not 2nd guess the process, ignore the “credit elsewhere” statement.

Everyone Should Apply!!

- If you are having trouble with first getting in, i.e. it is not recognizing the county and/or state :
 - Make sure you entered your type of business AND clicked on EIDL ***only*** under the “Are you applying for:” section..
 - Otherwise, please wait a while and try again. Disaster is moving as fast as it can, but each state and individual county needs to be entered. Like everything else with Covid-19, this level of activity was never anticipated.
